Different spaces require different solutions. Tikkurila has developed interior paints that always offer a durable and functional end result. From our wide range of products, you can always find a secure, high-quality solution for all surfaces.

FILLERS

Hole-in-1
FILLER
Super-light filler for peg holes, cracks and other blemishes. Fills holes of up to 50 mm in depth at one go.

BASE PAINTS / COLORS:	CAN SIZES:
–	250 ML TUBE, 500 ML CAN
CERTIFICATES:	

Presto Pikasilote
FILLER
Rapid filler for repairing scratches, smoothing out small surface areas and giving the final touches to dry interiors before application of topcoat.

BASE PAINTS / COLORS:	CAN SIZES:
WHITE	200 ML, 400 ML
CERTIFICATES:	

Presto R
FILLER
Ready-to-use, water-borne filler for roller or steel trowel application. Suitable also for fastening joint tapes.

BASE PAINTS / COLORS:	CAN SIZES:
LIGHT GREEN	12 L
CERTIFICATES:	

FILLERS

Presto LV
FILLER
Water-borne, ready-to-use light filler for wetrooms. Filling capacity of 4 mm without cracking. Suitable also for fastening joint tapes.

BASE PAINTS / COLORS:	CAN SIZES:
BLUE- GREY	3 L, 10 L
CERTIFICATES:	

PRIMERS

Luja Yleispohjamaali
PRIMER
Universal primer for demanding applications, contains anti-mold agent.

BASE PAINTS / COLORS:	CAN SIZES:
AP	0.9 L, 2.7 L, 9 L, 18 L
CERTIFICATES:	

Optiva Primer
PRIMER
Paint for priming of walls and ceilings.

BASE PAINTS / COLORS:	CAN SIZES:
AP	0.9 L, 2.7 L, 9 L
CERTIFICATES:	

TOPCOATS

AntiReflex White 2
TOPCOAT
Full-matt, anti-reflex paint for ceilings.

BASE PAINTS / COLORS:	CAN SIZES:
WHITE	3 L, 10 L
CERTIFICATES:	

Harmony
TOPCOAT
Full-matt, wall paint that evens out minor defects on the surface.

BASE PAINTS / COLORS:	CAN SIZES:
A, C	0.225 L, 0.9 L, 2.7 L, 9 L, 18 L
CERTIFICATES:	

Joker
TOPCOAT
Matt, high performance wall paint, proven to be safe.

BASE PAINTS / COLORS:	CAN SIZES:
A, C	0.225 L, 0.9 L, 2.7 L, 7.22 L, 9 L, 18 L (A-BASE)
CERTIFICATES:	

TOPCOATS

Luja 7

TOPCOAT

Matt, extremely durable, moisture and dirt-resistant wall paint. Contains anti-mold agent.

BASE PAINTS / COLORS:	CAN SIZES:
A, C	0.9 L, 2.7 L, 9 L

Luja 20

TOPCOAT

Semi-matt, extremely durable, moisture and dirt-resistant wall paint. Contains anti-mold agent.

BASE PAINTS / COLORS:	CAN SIZES:
A, C	0.9 L, 2.7 L, 9 L, 18 L

Luja 40

TOPCOAT

Semi-gloss, extremely durable, moisture and dirt-resistant wall paint. Contains anti-mold agent.

BASE PAINTS / COLORS:	CAN SIZES:
A, C	0.9 L, 2.7 L, 9 L, 18 L (A-BASE)

TOPCOATS

Optiva 3 Ceramic

TOPCOAT

Full-matt, durable wall paint with ceramic technology. Durable Optiva paints offer a safe and environmentally friendly solution with zero VOC*. Optiva products also fulfill the requirements for LEED and BREAM**.

BASE PAINTS / COLORS:	CAN SIZES:
A, C	0.9 L, 2.7 L, 9 L

Optiva 5

TOPCOAT

Matt, durable wall paint. Durable Optiva paints offer a safe and environmentally friendly solution with zero VOC*. Optiva products also fulfill the requirements for LEED and BREAM**.

BASE PAINTS / COLORS:	CAN SIZES:
A, C	0.45 L, 0.9 L, 2.7 L, 9 L, 18 L (A-BASE)

Optiva 7

TOPCOAT

Satin-matt, durable wall paint. Durable Optiva paints offer a safe and environmentally friendly solution with zero VOC*. Optiva products also fulfill the requirements for LEED and BREAM**.

BASE PAINTS / COLORS:	CAN SIZES:

BASE PAINTS / COLORS: AP, C	CAN SIZES: 2.7 L, 9 L
CERTIFICATES:	

Tunto Kivi (Stone)

Genuine natural stone coating that adds a third dimension the the wall. Contains natural Finnish stones.

BASE PAINTS / COLORS: KPA, KPC	CAN SIZES: 14 KG
CERTIFICATES:	

Functional paints

Tikkurila functional coatings provide excellent protection against moisture, condensation and noise. These products are especially suitable for hospitals, swimming halls, production facilities and all other spaces where cleanliness is of the utmost importance.

Argentum 20

Hygienic extra durable special paint with anti-bacterial properties and excellent wear and wet scrub resistance.

BASE PAINTS / COLORS:	CAN SIZES:
A	9 L, 18 L

CERTIFICATES: 

BioRid

Functional coating to prevent moisture problems and mold. Microporous matrix-technology.

BASE PAINTS / COLORS:	CAN SIZES:
WHITE	9 L, 18 L

CERTIFICATES:

BioRid Spray

Sprayable functional coating to prevent moisture problems and mold. Microporous matrix-technology.

BASE PAINTS / COLORS:	CAN SIZES:
WHITE	18 L, 100 L

CERTIFICATES:

BioWash

Cleaning agent for removing mold and algae.

BASE PAINTS / COLORS:	CAN SIZES:
-	5 L, 25 L

CERTIFICATES:

ProSeal

Primer for porous surfaces prior to Biorid treatment. Seals porous surfaces.

BASE PAINTS / COLORS:	CAN SIZES:
-	5 L, 25 L

CERTIFICATES:

GrafoTherm

Anti-condensation coating with excellent moisture absorption capacity. Microporous matrix-technology.

BASE PAINTS / COLORS:	CAN SIZES:
WHITE, GREY	18 L, 100 L

CERTIFICATES: 

EXTERIOR

Roofs

Facades

Roofs

Tikkurila offers durable solutions for protecting roofs from environmental stress. The goal of our products is to prolong the life of the roof by protecting the materials in different weather conditions. Tikkurila has developed environmentally friendly roof-coating systems that significantly reduce the costs of buildings’ cooling systems.

Climate Cooler Cleaner

Cleaning agent for roofing materials such as concrete, fiber cement and bitumen. Concentrated highly effective disinfectant.

BASE PAINTS / COLORS: -	CAN SIZES: 25 L
CERTIFICATES:	

Climate Cooler Uni Primer

Functional, heat-reflecting acrylate primer for mineral roofs such as concrete, fiber cement and bitumen.

BASE PAINTS / COLORS: WHITE	CAN SIZES: 20 L
CERTIFICATES:	

Climate Cooler Uni Topcoat

Functional, heat-reflecting acrylate topcoat for tile roofs.

BASE PAINTS / COLORS: BLACK, LIGHT GREY, DARK BROWN, TILE RED, WHITE, AND ANTHRACITE DARK	
CAN SIZES: 20 L	CERTIFICATES:

Climate Cooler Flex Primer

Functional, flexible heat-reflecting acrylate primer paint for bitumen roofs such as concrete, fiber cement and bitumen.

BASE PAINTS / COLORS: WHITE	CAN SIZES: 20 L
CERTIFICATES:	

Climate Cooler Flex Topcoat

Functional, flexible heat-reflecting acrylate topcoat for bitumen roofs such as concrete, fiber cement and bitumen.

BASE PAINTS / COLORS: BLACK, LIGHT GREY, DARK BROWN, TILE RED, WHITE, AND ANTHRACITE DARK	
CAN SIZES: 20 L	CERTIFICATES:

CLEANING

Panssaripesu

CLEANING AGENT

Cleaning agent for sheet metal roofs, efficiently removes grease, soot, pollen and other dirt accumulated on the roof.

BASE PAINTS / COLORS:	CAN SIZES:
–	1 L, 5 L, 10 L

CERTIFICATES:

PRIMERS

Rostex Super Akva

METAL PRIMER

Water-borne anti-corrosion primer with excellent adhesion on metal, especially on zinc. For both interior & exterior use, almost odourless.

BASE PAINTS / COLORS:	CAN SIZES:
LIGHT GREY, DARK GREY	0.33 L, 1 L, 3 L, 10 L

CERTIFICATES:

TOPCOATS

Kilpi Huopakattomaali

BITUMEN ROOF PAINT

Water-borne acrylate paint for maintenance painting of felt roofings. Paint remains flexible even at low temperatures.

BASE PAINTS / COLORS:	CAN SIZES:
C	2.7 L, 9 L

CERTIFICATES:

Kilpi Tiilikattomaali

TILE ROOF PAINT

Water-borne acrylate paint for maintenance painting of tile roofs. Retards the penetration of water into the structure.

BASE PAINTS / COLORS:	TILE RED (0511), COTTAGE RED (0517), BROWN (0518), DARK GREY (0520), BLACK (0521).
CAN SIZES:	10 L

CERTIFICATES:

Panssari Akva

METAL ROOF PAINT

Semi-matt acrylic paint for metal surfaces, especially roofs. Excellent color and gloss retention, good adhesion on many substrates.

BASE PAINTS / COLORS:	CAN SIZES:
A, C	0.9 L, 2.7 L, 9 L, 18 L

CERTIFICATES:

Facades

Even in the most demanding weather conditions, walls, socles, facades and balconies should last for decades. Tikkurila has developed durable and trustworthy products that give surfaces the desired look while making them last longer. Our wide range of products offers various colors and qualities. The new Facade collection Finngard offers high-quality paints with self-cleaning properties.

CLEANING

Talon Huoltopesu
UNIVERSAL CLEANER
Universal cleaner for regular cleaning of wooden and mineral facades. Prevents the growth of mold on surfaces and lengthens maintenance treatment intervals.

BASE PAINTS / COLORS: –	CAN SIZES: 1 L, 5 L
CERTIFICATES:	

WOODEN FACADES – PRIMING OILS

Valtti Plus Base
PRIMING OIL
Ready-to-use, water-borne wood priming oil with bluish marking color. Optimized absorption, retards mold growth and spread of blue stain and rot. Registered according BPR, PT8.

BASE PAINTS / COLORS: BLUISH	CAN SIZES: 0.9 L, 2.7 L, 9 L
CERTIFICATES:	

Valtti Primer
PRIMING OIL
Solvent-borne colorless priming oil with good penetrating properties. Retards the adverse effects of moisture and thus the spread of mold growth.

BASE PAINTS / COLORS: COLORLESS	CAN SIZES: 0.9 L, 2.7 L, 9 L
CERTIFICATES:	

WOODEN FACADES – STAINS

Valtti Akvcolor
STAIN
Modern all-purpose low-build log wood stain. Easy-to-apply product with superior absorption into wood. Protects wood from weathering by slowing the impacts of humidity and sunlight.

BASE PAINTS / COLORS: EP, OP	CAN SIZES: 0.9 L, 2.7 L, 9 L, 18 L
CERTIFICATES:	

Valtti Color
STAIN
Traditional all-purpose, solvent-borne and low-build wood stain. Protects the wood from weathering by slowing the impacts of humidity and sunlight.

BASE PAINTS / COLORS: EC	CAN SIZES: 0.9 L, 2.7 L, 9 L, 18 L
CERTIFICATES:	

Valtti Plus Kesto
STAIN
Extremely durable wood stain for facades, offers twice as long maintenance interval as common wood stains. Based on modified acrylate binder and with good UV protection, forms a semi-matt, water-repellent wood protecting surface.

BASE PAINTS / COLORS: EP, OPP	CAN SIZES: 0.9 L, 2.7 L, 9 L
CERTIFICATES:	

WOODEN FACADES – PAINTS

Valtti Opaque
WOOD FINISH
Extremely durable, opaque wood finish with low need for maintenance. Has excellent UV resistance, color stability and dirt repellence.

BASE PAINTS / COLORS: VVA, VVC	CAN SIZES: 0.9 L, 2.7 L, 9 L, 18 L
CERTIFICATES:	

Ultra Classic
WOOD FINISH
Waterborne, environmentally friendly, semi-matt polyacrylate paint with excellent weather resistance. Protects wood from water, while allowing water vapor to permeate.

BASE PAINTS / COLORS: A, C	CAN SIZES: 0.9 L, 2.7 L, 9 L, 18 L
CERTIFICATES:	

Ultra Primer
FACADE PAINT
Water-borne acrylate primer and undercoat for exterior wood surfaces. Retards seepage of wood extractives. Designed for use as part of Ultra system.

BASE PAINTS / COLORS: AP, C	CAN SIZES: 0.9 L (ONLY AP BASE PAINT), 2.7 L, 9 L
CERTIFICATES:	

MINERAL FACADES – PLASTERS AND PAINTS

Finngard Silicone Protect

FACADE PAINT

Water-borne silicone paint, hydrophobic with low water absorption for high durability. Vapor permeable, highly resistant to fungi, molds and algae. Resistant to dirt.

BASE PAINTS / COLORS: AP, C*	CAN SIZES: 0.9 L, 2.7 L, 9 L
---------------------------------	---------------------------------

CERTIFICATES:	* FACADE COLORANTS NEEDED
---------------	---------------------------

Finngard Silicone Hydro

FACADE PAINT

Nanotechnology-based, water-borne silicone facade paint with self-cleaning properties. Resistant to contaminated air and repeated washing. Fast application due to short drying time.

BASE PAINTS / COLORS: LAP, LC*	CAN SIZES: 2.7 L, 9 L
-----------------------------------	--------------------------

CERTIFICATES:	* FACADE COLORANTS NEEDED
---------------	---------------------------

MINERAL FACADES – PRIMERS

Finngard Uni Primer

PRIMER

Acrylic facade priming paint, water-borne. Reinforces the substrate structure, limits and smooths out absorbability, unifies the color of the painted surface, improves the adhesion. Compatible with all Tikkurila Finngard facade paints, except Tikkurila Finngard Silicate Solid.

BASE PAINTS / COLORS: AP	CAN SIZES: 2.7 L, 9 L
-----------------------------	--------------------------

Finngard Silicate Primer

PRIMER

Water-borne, inorganic primer for exterior surfaces, prior to the application of Finngard Silicate Solid paint. Reduces the absorbency of the substrate, the consumption of topcoat and strengthens loose substrates.

BASE PAINTS / COLORS: TRANSPARENT	CAN SIZES: 3 L, 10 L
--------------------------------------	-------------------------

MINERAL FACADES – PAINTS

Kivisil Julkisivumaali

FACADE PAINT

Water-borne silicon emulsion paint for facades.

BASE PAINTS / COLORS: LA, LC*	CAN SIZES: 0.9 L, 2.7 L, 9 L, 18 L
----------------------------------	---------------------------------------

CERTIFICATES:	* FACADE COLORANTS NEEDED
---------------	---------------------------

MINERAL FACADES – IMPREGNATION

Alfablock

IMPREGNATION AGENT

A water-borne impregnation agent for mineral surfaces, based on a mixture of silane and siloxane.

BASE PAINTS / COLORS: –	CAN SIZES: 25 L
----------------------------	--------------------

CERTIFICATES:	
---------------	--

MINERAL FACADES – PLASTERS AND PAINTS

Finngard Silicate Solid

FACADE PAINT

Inorganic potash, water-borne based one-component facade paint. For interior and exterior painting, the highest class of non-flammability (A1 classification), high vapor permeability. May be used on damp substrate.

BASE PAINTS / COLORS: SA, SC*	CAN SIZES: 2.7 L, 9 L
----------------------------------	--------------------------

CERTIFICATES:	* FACADE COLORANTS NEEDED
---------------	---------------------------

Finngard Acryl Beton

FACADE PAINT

Alkali-proof acrylate paint, high CO2 resistance, low water absorption, inhibits carbonation. High chemical and weather resistance, SILKO-approved.

BASE PAINTS / COLORS: LA, LC*	CAN SIZES: 2.7 L, 9 L
----------------------------------	--------------------------

CERTIFICATES:	* FACADE COLORANTS NEEDED
---------------	---------------------------

MINERAL FACADES – PAINTS AND COATINGS

Yki Aitokivi

REAL STONE

Patented and tintable natural stone coating for walls.

BASE PAINTS / COLORS: KPA, KPC	CAN SIZES: 14 KG
-----------------------------------	---------------------

CERTIFICATES:	
---------------	--

Yki Rouhepinnoite

ROUGH COATING

Rough acrylate coating for concrete and masonry socles and wall surfaces.

BASE PAINTS / COLORS: RPA, RPC	CAN SIZES: 9 L
-----------------------------------	-------------------

CERTIFICATES:	
---------------	--

Yki Sokkelimaali

SOCLE PAINT

Full-matt, alkali-resistant acrylate-based paint for mineral facades and socles.

BASE PAINTS / COLORS: A, C	CAN SIZES: 0.9 L, 2.7 L, 9 L, 18 L
-------------------------------	---------------------------------------

CERTIFICATES:	
---------------	--

GARDEN

Garden

The maintenance of garden furniture and terraces can be very demanding, because they are exposed to weathering and abrasion. Tikkurila provides stains, lacquers and oils in various shades, both to protect and decorate furniture and terraces. Regular maintenance can essentially extend the service time of outdoor furniture and terrace equipment.

CLEANING

Homeenpoisto

MOLD REMOVAL
Gelatinous hypochlorite solution for washing and disinfecting surfaces to be painted. Ensures good adhesion, disinfects mold and algae fungi.

BASE PAINTS / COLORS:	CAN SIZES:
–	1 L, 5 L

CERTIFICATES:

STAINS

Patio Kivikuullote

PAVING STAIN
Water-borne stain to color concrete garden stones and slabs. Refreshes the color of the weather worn pavings.

BASE PAINTS / COLORS:	CAN SIZES:
EK	0.9 L, 2.7 L, 9 L

CERTIFICATES:

PAINT

Unica Akva

PAINT
Water-borne paint for window frames, doors, frames and garden furniture, both for interior and exterior use, durable and flexible.

BASE PAINTS / COLORS:	CAN SIZES:
A, C	0.9 L, 2.7 L, 9 L (A-BASE)

CERTIFICATES:

LACQUERS

Unica Akva Lakka
LACQUER
Water-borne lacquer for window frames and doors, both for interior and exterior use, durable and flexible. Contains UV filter.

BASE PAINTS / COLORS: EPL	CAN SIZES: 0.9 L, 2.7 L, 9 L
CERTIFICATES: 	

OILS

Valtti Plus Terassiöljy
TERRACE & FURNITURE OIL
Excellent durability water-borne wood oil that emphasizes beauty of wood structure. Special pigmented with UV-protection and excellent penetrating properties and vibrant translucent colors.

BASE PAINTS / COLORS: GREY	CAN SIZES: 0.9 L, 2.7 L, 9 L
CERTIFICATES:	

Valtti Kaluste- ja terassiöljy
TERRACE & FURNITURE OIL
Traditional, solvent-borne wood oil for terraces and furniture, emphasizes beauty of wood structure with vibrant translucent colors. Has excellent penetrating properties. Especially for hard wood.

BASE PAINTS / COLORS: BLACK, BROWN, GREY	CAN SIZES: 0.9 L, 2.7 L, 9 L
CERTIFICATES:	

OILS

Valtti Puuöljy Akva
WOOD OIL
Water-borne tintable wood oil for terrace decking and garden furniture, provides good protection for wood, reduces graying and prevents cracking.

BASE PAINTS / COLORS: EC	CAN SIZES: 0.9 L, 2.7 L, 9 L
CERTIFICATES:	

Valtti Puuöljy
WOOD OIL
Traditional, solvent-borne tintable wood oil for terrace decking and garden furniture, provides good protection for wood, reduces graying and prevents cracking. Especially for hard wood.

BASE PAINTS / COLORS: EC	CAN SIZES: 0.9 L, 2.7 L, 9 L
CERTIFICATES:
